

## FIND OUT MONDAY NIGHT.

In "Why Smith Left Home" George H. Broadhurst has written a farce that is undeniably funny. This will be seen at the Capital Theatre Monday night, February 11.

In its dialogue it is a distinct step in advance over any thing he has done. The fun of the play is extracted almost entirely from the complications into which Smith and his wife are hurled shortly after their marriage by the arrival of four of Mrs. Smith's relatives to make a visit. Cases of mistaken identity ensue, and for a time Mrs. Smith is made to believe that her husband is not true to her. Every thing comes out right in the end, however, and it is not until then that Smith really does leave home.

"Why Smith Left Home" was produced at the Strand Theatre, London, and ran for months and was pronounced the hit of last season at the Madison Square Theatre, New York, where an engagement of four months was played to the capacity of that house.

## DANGER OF COLDS AND LA GRIPPE.

The greatest danger from colds and la grippe is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventive of that dangerous malady. It will cure a cold or an attack of la grippe in less time than any other treatment. It is pleasant and safe to take. For sale by J. W. Gayle.

## BROUGHT HERE.

On Wednesday last the sheriff of Scott county brought Caleb Powers and Henry E. Youtsey to this city over the 11:20 a. m. F. & C. Railway. Youtsey was taken to the pen and donned the stripes. Powers was placed in the Franklin county jail to await the action of the Court of Appeals. Powers looks very well, except he is thinner than when he left here in July.

A powerful engine can not be run with a weak boiler, and we can't keep up the strain of an active life with a weak stomach; neither can we stop the human machine to make repairs. If the stomach can not digest enough food to keep the body strong, such a preparation as Kodol Dyspepsia Cure should be used. It digests what you eat and simply can't help but do you good. South & Longmoor and W. McKee Hardie.

## ELK'S MINSTRELS.

Every body in this city is on the qui vive in regard to the minstrel performance to be given by the jolly Elks at the Capital Theatre, on Friday, February 15th.

The boys who are to perform are holding rehearsals every little while, and they propose to give an entertainment that will be an entertainment sure enough. It will be brim full of life and fun from start to finish.

The souvenir programs are handsomely gotten up and will soon be out from the press of the Geo. A. Lewis Publishing House.

The very best of our local musical talent, both vocal and instrumental, will be in the performance.

The object for which this entertainment is to be given is a worthy one, and we know there will be a large and appreciative audience to greet it.

## HOW TO CURE THE GRIP.

Remain quietly at home and take Chamberlain's Cough Remedy as directed and a quick recovery is sure to follow. That remedy counteracts any tendency of the grip to result in pneumonia, which is only the real serious danger. Among the tens of thousands who have used it for the grip not one case has ever been reported that did not recover. For sale by J. W. Gayle.

## Pain in Stomach

Flatulency, sourness, bad taste, loss of appetite, a sense of weight or fullness after eating, together with uneasiness, impatience, irritability of temper, nervousness, anxiety, lost energy, depression of spirits, sick headache, bad dreams and sleeplessness, come from weak and debilitated nerves. That kind of nerves have to be braced up, strengthened, invigorated and helped if you would have a sound stomach, a keen appetite and a cheerful mind.

"It was headache all the time; food did not digest; could sleep but little; became despondent and tired almost of life. One night, before going to bed, I took a dose of Dr. Miles' Nervine. I slept soundly and in the morning felt rested and refreshed. From that time on I never had a headache. Six bottles cured my stomach trouble, completely and made me a well and happy man."

## LA GRIPPE QUICKLY CURED.

"In the winter of 1898 and 1899 I was taken down with a severe attack of what is called la grippe, says F. L. Hewitt, a prominent druggist of Winfield, Ill. "The only medicine I used was two bottles of Chamberlain's Cough Remedy. It broke up the cold and stopped the coughing like magic, and have never since been troubled with la grippe." Chamberlain's Cough Remedy can always be depended upon to break up a cold and ward off any threatened attack of pneumonia. It is pleasant to take, too, which makes it the most desirable and one of the most popular preparations in use for these ailments. For sale by J. W. Gayle.

Recent experiments show that all classes of foods may be completely digested by a preparation called Kodol Dyspepsia Cure, which absolutely digests what you eat. As it is the only combination of all the natural digestants ever devised the demand for it has become enormous. It has never failed to cure the worst cases of indigestion, and it always gives instant relief. South & Longmoor and W. McKee Hardie.
